

Class 1 Newsletter

Our Topic

This term Class 1 will be studying our new topic 'Under the Sea'. As a part of this topic we will be looking at explorers and pirates and developing the children's understanding of life at sea and during the 1800's through a trip to Hartlepool Marina to see the Trincomalee. We will also start to explore under the sea creatures as a part of our science and topic. We will look at where the creatures live, how they survive and what they eat. Our focus is The Great Barrier Reef.

Homework

Homework is sent on a Monday and due in before the following week. We set activities so that families can all be involved in learning or the children can complete the activity independently.

Reading

All children have a reading book which they take home. The children are free to choose their own books. It is important that they read as often as possible and we thank you for your continued support.

PE

We have PE on a Wednesday each week.

The children are taught by their sports coach on a Wednesday.

The children must have suitable sports wear to change into, such as a T-shirt, shorts and plimsolls. We may be able to move outside for PE in this term so the children may wish to wear jogging bottoms or a jumper.

As we are heading into Summer the children will be taught athletics in preparation for their Mini-Olympic Sports Day held in July.

Year 2 Diary Dates:

16.04.18—Back to school

23.04.18—Trincomalee Trip

03.05.18 —School Closed—Polling Day
