Wednesday 10th July—Skipping Festival
Tuesday 16th July—Summer Fair
Wednesday 17th July—School reports

Topics

Our text this half term is "The Troll" by Julia Donaldson. We are hoping to get lots of different types of writing out of this book. We will be writing stories, character descriptions, poetry, and lots more. We cannot wait to get started.

We are learning about animals and food chains in Science. We will look at the types of food animals eat and where this comes from.

In Computing we will be using and applying all of our skills that we have learnt over the last year to consolidate how to use a computer and the internet safely.

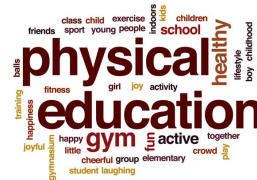

We will be learning all about Souter Lighthouse in Geography and History. We will also be continuing our work on Grace Darling. The children have really enjoyed learning about her life so far.

In Design and Technology we will be learning about where food comes from and designing healthy and varied meals.

Information

As the weather is getting warmer, please could you ensure your child has a bottle of sun cream and a hat to keep them safe from the sun at playtimes and lunchtimes. Can you also send a water bottle in every day with WATER only. No juice please as we are a healthy school.

Our P.E. days are Tuesdays and Thursdays. Please make sure your child has a white T-shirt, green shorts and trainers or plimsolls so they are appropriately dressed for P.E.

All earrings must be removed.

**The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.
Dr. Seuss**

Reading is such an important part of our curriculum. Keep reading every day, sign to show your child has read and send in their reading book and reading diary so they can choose another book. It's really that easy. And best of all, every time your child reads, they will move their rocket to the next planet and once they reach number 20, they will enjoy afternoon tea with Mrs Charlton.

Thank you for your support with homework. We have had some fabulous projects this half term. Homework must be returned to school by **Friday 12th July**.
