

# My VIP Crown

We all have VIPs in our lives — these are the people who are very special to us. Draw a person who is special to you in each of the jewels on the crown. Above each person, write the characteristics that make them special to you.

The crown features five jewels, each represented by a large white circle with a black outline. Above each circle is a rectangular box with horizontal lines, intended for writing the characteristics of the person associated with that jewel. The crown's base is a solid yellow shape.
