

Grindon Infant School Weekly Home Learning Ideas for Two Year Old Provision  
Week beginning Monday 22<sup>nd</sup> February 2021

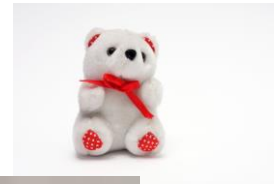

To enjoy the snow, and let's see who can build a big or small snowman? We can also go digging in the snow or sledging. But please have lots of fun! Send all photographs to [gis.nursery@schools.sunderland.gov.uk](mailto:gis.nursery@schools.sunderland.gov.uk)

Let's talk! Share experiences and talk about your feelings. (What made you happy? What made you sad?) We can ask 'who', 'what' and where questions. Where would you like to go? Where did we go today? What can we see? Who did we see at the park? What would you like for your tea?

Let's go on a white treasure hunt this week to link with our snow experiences. Can we label the objects we find?

See if we can look at our routines this week from home. Looking at what we do in the morning? (We get up, get washed, brush our teeth and then eat breakfast). Look at bedtimes. (Bath time, pyjamas, teeth, story, bed). Draw pictures or take photographs to help to sequence your events. Please have lots of fun working together and continue to send your photographs to Mrs Fairless at [gis.nursery@schools.sunderland.gov.uk](mailto:gis.nursery@schools.sunderland.gov.uk)
