Information

Our P.E days are still a Monday and Thursday. This term we are working on working as a team to complete races on a Monday and Yoga Mike will be with us on a Thursday afternoon.

Please send your child into school in their P.E kit on a Monday and Thursday.

Remember to put names on all belongings including shoes and clothing such as hoodies worn for P.E.

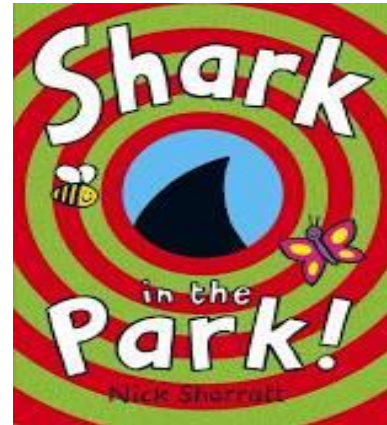

Forest Schools

On Friday afternoon, we will be completing 'Forest Schools' activities in the Reception outdoor area. If you have a pair of wellies that your child can keep in school then please send these in to school with your child's name inside.

If you have any questions about anything at all then please ask a member of Staff. We are always happy to help!

Topics

This half term our topic is based on the story of 'Shark in the Park' by Nick Sharratt.

As our story is set in a park, this half term we will be creating our own play park using reclaimed materials and testing out what we have made to see if they work well. We will also be looking at journeys and comparing transport in the past to the present.

Warmer Weather

Please ensure that your child has a sun hat in school and that they come to school wearing sunscreen. Please also send sunscreen into school with a name on it and they will apply it themselves before going outside at lunchtime.

Homework

Thank you for doing so well with your child's homework that we sent out last half term. This half term your child will bring home another homework grid in their homework book. The homework book will stay with you at home until Monday 12th July.

Inside their homework book, your child will have a grid with a range of activities on it. Your child must complete the **RED** activities and then they can choose which other activities they would like to complete. When the homework book is returned to school, your child's name will be put in a raffle for the opportunity to win a prize. The more activities your child completes, the more chance of winning they have!
