

### Dates

Back to School-Monday 7<sup>th</sup> June  
 Whole School Wellbeing Day-Wednesday 16<sup>th</sup> June  
 Humanities Day-Friday 25<sup>th</sup> June  
 Sing Up Day-Wednesday 30<sup>th</sup> June  
 Break up-Friday 16<sup>th</sup> July

### Information

#### Desk Pets

Our desk pets have been a huge success. The beanstalk is having a really positive impact on the behaviour of the children across school.

#### PE

There is no change to PE days:  
 Class 1 - Tuesdays and Wednesdays  
 Class 2 - Tuesdays and Fridays

**Please make sure all earrings are REMOVED on these days.**

#### Warmer Weather

Please ensure that your child has a sun hat in school and that they come to school wearing suncream. Please send in a bottle of suncream with your child's name labelled so they can reapply at lunchtime. You can still purchase a sun hat at the school office.

#### Homework

Thank you for doing so well with your child's homework that we sent out last half term. This half term your child will bring home another homework grid in their homework book. The homework book will stay with you at home until the last week of the half term. Please return no later than **Monday 12<sup>th</sup> July**.

When the homework book is returned to school, your child's name will be put in a raffle for the opportunity to win a prize. The more activities your child completes, the more chance of winning they have!

### Topics

Our text this half term is "Kassim and the Greedy Pirate's Treasure". We will be looking at writing our own four-part story using this version as a structure. We will also be writing for persuasion.

Length and height, Time, Mass, Capacity and Temperature are the focus in Maths.

We are learning about living things and their habitats in Science.

In Computing we will be looking at "Creating Pictures".

We will be comparing the UK to China in Geography.

In Design and Technology we will be designing and making our very own sensational salads.

In R.E. we will be continuing to learn about Buddhism.

In P.E. we are practising our athletics skills.

In P.S.H.E. we are learning about risks.
